

Swim & Tennis Search Committee meeting

Meeting held Thursday, October 25<sup>th</sup> at 4pm in the Swim & Tennis Pro Shop

In attendance were Jamie Howell, Jason Smith, Gretchen Boggs, and Vanessa Holman (not in attendance were members Kay Cason and Patrick Hemmings)

The discussion centered on determining the needs of the Swim & Tennis facility and its members. We reviewed two resumes that had been sent to the SCA from college students in the northwest Louisiana region. We, also, discussed Airline High School's tennis team's involvement in organizing and leading a children's summer tennis program.

At the conclusion of the meeting, we decided:

- Vanessa would use her contacts in Natchitoches to inquire about one of the collegiate candidates. Upon the favorable recommendations, Vanessa then contacted Bianca Schulz. A meeting is scheduled for Friday, November 2<sup>nd</sup>.
- Gretchen would contact local pros that might be interested in conducting tennis clinics for adults and children on a weekly basis. TBD
- Jamie would contact Reagan Davis about the possibility of the golf club fulfilling the administration needs of the S&T (answering forwarded phone calls, facility and court maintenance, ball machine access, etc.) and what Touchtone Management would charge for those services. TBD
